

SHORT- CYCLE VOCATIONAL TRAINING IN ANIMATION (ISCED 5 – EQF5)

General description of the programme

The objectives of our animation programme are to train professionals capable of:

- Carrying out animation projects, either personal or commissioned by companies, institutions or other professionals.
- Planning the realization of the animation project by defining the expressive, functional and technical aspects.
- Valuing and making possible the elaboration of teamwork.
- Organizing and carrying out the various phases of the project and the corresponding quality controls to ensure that it expresses the communicative objectives of the same in an optimal way.
